2016 10 Most Endangered

Historic Sites in New Jersey Nomination Form

Preservation New Jersey invites nominations for our Annual List of New Jersey's 10 Most Endangered Historic Places. Through these nominations, PNJ strives to increase public awareness of historic preservation issues throughout New Jersey and focuses critical attention on 10 properties each year in order to assist in their preservation. The 2016 List will be announced at a press event in Trenton in mid-May.

To nominate a property, please complete the form below along with a brief overview of the property's history and significance. Include two to three photographs of the property. Submit the information to info@preservationnj.org or mail to P.O. Box 7815, West Trenton, NJ 08628. If you have questions, please contact Preservation New Jersey at 609-392-6409. All nominations and accompanying information should be provided by December 15, 2015.
